

Washington, D.C. – On Friday, Congressman Charlie Wilson will visit two examples of energy success stories in the Mahoning Valley. He will begin the day at a private home that was weatherized by local company Valley Energy Solutions to improve its energy efficiency. Federal and state incentives to complete such projects will be discussed. Afterwards, Wilson will tour Tri-County Tower Service which constructs, installs and maintains a variety of towers, including wind turbines.

Wilson's schedule is as follows:

Friday August 20th

2:00 PM      Home Weatherization with Valley Energy Solutions

Private Home of Janet Reeves

5491 Tippecanoe Road, Canfield, OH

Attendees: Wilson, Homeowner Janet Reeves, Valley Energy Solutions Owner Dan Quinlan, representative from OH Treasurer Boyce's office.

3:30PM      Tour of Tri-County Tower Service

Tri-County Service Inc.

8900 Mahoning Avenue

North Jackson, OH
